Women:
Chest: Measure loosely around the fullest part of the bust.
Half chest measurement is half of this figure.

Men:
Chest: Measure loosely around the broadest part of the chest
Half chest measurement is half of this figure.

How to ensure a good fit?
Firstly, consider the type of fit that your chosen garment is, as this is how the garment will typically be worn. Some Garments are intended to fit loosely and have a draping quality. Others should be worn closer to the body for warmth or style.

A garment should allow ease of movement and be comfortable

How do I use the sizing chart now that I have my measurements?

If your measurements are for a male:

Chest: 122cm

Half Chest: 61cm

As an example, your ideal size would be a "Large Winter Jacket"
